ANIMAL CATCH

There has been an escape!!! Animals from the Zoo are hiding around the jungle. These are Animals that were born in a Zoo and were not done with their training for survival. The Jungle is a dangerous place for animals that were not born there.

Using the Arrow keys or WASD move the Zoo keeper around the jungle MAZE to collect the animals.

Each Animal is worth 25 points.
You will have 30 seconds to find them all!

It is your mission to find and capture the animals so they can be released on another day.

Good Luck!
