Welcome to "Gotta Catch'em All"

Oh no all of the professor's pokemon have escaped! The professor is a very busy man and doesn't have the time to track them down himself. As the professor's assistant you have to go out into the wild and retrieve them yourself. Along the way you will encounter various pokemon. The professor is mainly interested in

Chimchar: Turtwig: Piplup: Bidoof:

There are a few rare pokemon out there that the professor would love to see.

Dilaga: Palkia:

Oh and I almost forgot move through the hedge maze using the arrow keys and be careful to avoid tall grass there are powerful pokemon in the tall grass.
