X-Wing Survival

Wow! Watch out! You just got caught in a TIE Fighter frenzy! While flying to Alderaan you lost your way and ended up in the wrong neighborhood. Make your way through the craze being sure to not get caught up in one of the TIE fighter groups!

- The goal is to make your way around the TIE Fighters while trying to stay alive
- Click “New” to generate the first group of Fighters
- After generating the first group, decide your fate by choosing a location in the grid for your player
- You get points by staying alive. The Generation count is your score
- The game is over when you are neighboring more than 2 TIE Fighters

May the Force be with You
