**STAR WARS : THE LAST OF A DYING BREED**

Darth Vader is a power hungry tyrant who wishes nothing more than to rule the entire galaxy. With the help of his Stormtroopers he plans on taking over each planet and enslaving its inhabitants. Rebel forces are doing everything in their power to prevent this from happening but they cannot do it alone. They need your help as well as the help of a rare and powerful group of individuals called Jedi. You must aid the Jedi in their quest to defeat Vader, Let the Jedi die and the universe will be in grave danger...

**Heres What You Need to Do:**

There are only a handful of remaining Jedi in the entire universe and they have agreed to help the rebels in their fight against Vader. The goal of the game is to keep the Jedi alive for as long as possible. The longer the Jedi survive the more points you score. Avoid the likes of Vader and Boba Fett and the swarms of Storm Troopers and you will obtain a higher score. Click on the new button to generate a random population, then press play to begin the game. Good Luck and may the force be with you!
