Meteor Attack

It is time for the Earth to be taken over by its rightful ruler... you! Destroy any resistance you find on the planet by smashing giant meteors into them.

The objective of this game is to destroy the 3 large military bases stationed on the planet that stand as the only resistance against you.

To get points, your meteor must enter the Earth’s atmosphere.

To win, you must get 3 meteors into the Earth’s atmosphere.

Destroy these pesky humans and claim what is rightfully yours!
