

Sonoma State University
Computer Science Department
CS 460 – Fall 2017 – Watts

Homework 1

For **Homework 1 Part 1**, you are to read the course syllabus.

Date Due: Thursday, 24 August 2017, at the beginning of lecture.

For **Homework 1 Part 2**, you are to copy the file `lastname.mail` from the course pickup directory, `~tiawatts/cs460pickup`:

```
seawolfid@sonoma.edu # Last First csloginid
```

Replace `seawolfid` with your Seawolf e-mail address id. Replace `Last` with your last name. Replace `First` with your first name or nick name. Replace `csloginid` with your computer science login id.

Rename the file as `yourlastname.mail` and copy it to the course dropbox directory, `~tiawatts/cs460drop`

Date Due: Thursday, 24 August 2017, 11:59 pm.

For **Homework 1 Part 3**, you are to run each of the programs provided for the C++ Preliminary Quiz to determine the accuracy of the answers you wrote for the quiz. If you did not write the correct output for a program on your quiz, explain the difference between your answer and the actual program output.

Date Due: Thursday, 24 August 2017, at the beginning of lecture.

To Turn In: a handwritten or typed page containing the explanations for the differences between your answers and the actual program outputs.
