Midterm Exam

Date due: Monday 16 October 2023, 6:59 am
(copy *lastnameE1.pdf* to the course dropbox)

Your midterm exam has been posted. You can copy it from the course pickup folder `~tiawatts/cs460pickup/lastnameE1.docx` or [here](#).

There are 9 questions in the exam. The last question involves some coding. You can pick up the C++ starter files for this question from the course pickup folder.

The exam is set up in a table format. Please use the spaces provided for your answers. If you need more space, just keep on typing so that the answer continues on to the next page. Please do not remove the page breaks.

After you complete your exam, please save it as a pdf (*lastnameE1.pdf*) and copy it to the course drop box (`~tiawatts/cs460drop`)
