  * Press 'a' key to move left
  * Press 'd' key to move right
  * Press 's' key to move down

  * Press 'i' key to view instructions
  * Press 'r' key to restart the game
  * Press 'n' key to start a new game

Move the mermaid to create matches and collect points
  * When the mermaid moves, it swaps its space with that of an adjacent tile

**Scoring:**
Each tile in a match is worth 1 point
How many points can you accumulate? Will you join the ranks of the top five scorers?
