Monster Matcher

The Doctor needs to contain all of the worst monsters in the universe within a black hole so they can’t terrorize the universe anymore. Aboard his TARDIS, he travels around the universe finding them and trapping them. Along the way he gets help from his brave companions, Rose Tyler and Captain Jack Harkness.

The goal of this game is to help The Doctor trap the monsters into the black hole. Match three or more of the same monsters to create a match and send them off.
