MegaMan Robot Master Buster

Backstory: In the year 20XX, humanoid robots are being created. However, the evil scientist Dr. Wily decides to use some of these robots to take over the world. Another scientist, Dr. Light, rebuilds his robot lab assistant Rock into Mega Man to stop Dr. Wily.

The goal of the game is to defeat as many Robot Masters as possible.

Points are awarded when you match three or more of the same Robot Master to defeat them.

The game is over when you run out of moves

Fight, Mega Man! For Everlasting Peace!
