The Barbarian King (Blue One) is trying to protect his clan from the enemies. So in order to do so, he must run away from the evil king who is in red by going and up and down. As the Barbarian King runs away, he can earn points that help his clan get more resources to protect the clan by creating matches.

**Goal**

The goal of this game is to accumulate as many points as possible.

**Game Play**

Points are awarded for matching three or more characters of the same kind.

**Scoring Algorithm:**

A match of 3 tiles = 3 point

A match of 4 tiles = 4 points

A match of 5 tiles = 5 points

**End Game Condition**

The game is over when you run out of moves.
